

CHANDRABHAN

☎ +91-9660880910 ✉ contact.chandrabhan@gmail.com [in LinkedIn](#) [GitHub](#) 📍 Hanumangarh, Rajasthan

Summary

Fresher with a strong foundation in Python, SQL, Machine Learning, and Data Analysis, along with hands-on experience in building ML-driven and data-focused projects. Skilled in data preprocessing, exploratory analysis, model building, and visualization. Actively seeking opportunities to apply analytical and problem-solving skills to real-world challenges.

Skills

Programming & Querying: Python, SQL, HTML

Libraries & Frameworks: Pandas, NumPy, Scikit-learn, Streamlit

Machine Learning & NLP: Text Preprocessing, TF-IDF Vectorization, Naive Bayes, Logistic Regression

Tools: MS Excel, PowerPoint, MySQL

Platforms: PyCharm, Visual Studio Code, Jupyter Notebook

Projects

Personal Portfolio Website | *HTML, CSS, JavaScript*

- Designed and developed a fully responsive personal portfolio website to showcase projects, technical skills, and academic background.
- Focused on clean UI, cross-device compatibility, and optimized loading performance.
- Live at: chandrabhan.me

Fake News Detection Web Application | *Python, ML, NLP, Streamlit*

- Developed an end-to-end fake news detection system using Machine Learning and NLP techniques, deployed as an interactive Streamlit application.
- Implemented TF-IDF vectorization and trained Naive Bayes and Logistic Regression models.
- Evaluated models using accuracy, precision, recall, and F1-score to identify the best-performing model.
- Live App: [Streamlit Link](#)

Certifications

- **Hands-on Approach to AI for Real World Applications – TCS (2025):** Completed practical training on applying AI concepts to real-world business problems and use cases.
- **Linux Training – Spoken Tutorial, IIT Bombay (2025):** Gained hands-on experience with Linux commands, file systems, and basic system administration concepts.
- **Excel Skills for Business – JP Morgan (2023):** Learned business-focused Excel skills including data analysis, formulas, and spreadsheet-based problem solving.

Education

Master of Computer Applications (MCA)

July 2024 – Ongoing

Jaipur National University, Jaipur

Post Graduate Diploma in Computer Applications (PGDCA)

Aug 2023 – June 2024

Jaipur National University, Jaipur

75%

Bachelor of Arts (B.A.)

July 2020 – June 2023

Shri Khushal Das University, Hanumangarh

69.39%

Additional Information

Languages: English, Hindi

Soft Skills: Strong Communication, Time Management, Team Collaboration, Leadership

Interests: Data Science, Machine Learning, Web Development, Exploring New Technologies
